FunXPad

Play together.

The Ultimate Multi-Touch Game Table

MULTI-TOUCH · 1-6 PLAYERS · AROUND 120 GAMES

PLAY TOGETHER

FunXPad

Put the phones down. Gather around.

Family Sunday.

Gather the family. Your phones charge wirelessly on the table while you play. Face to face, laughing and competing, the way we forgot for years.

Friday night with friends.

After dinner, one more round?

This is NOT an ordinary game machine.

A premium Game Table. Elegant, luxurious and beautifully made. It belongs in a lounge, a living room or a hotel lobby, and everyone around it plays at the same time.

MULTI-TOUCH
AROUND 120 GAMES
1-6 PLAYERS

MULTI-TOUCH

FunXPad

Everyone plays at once.

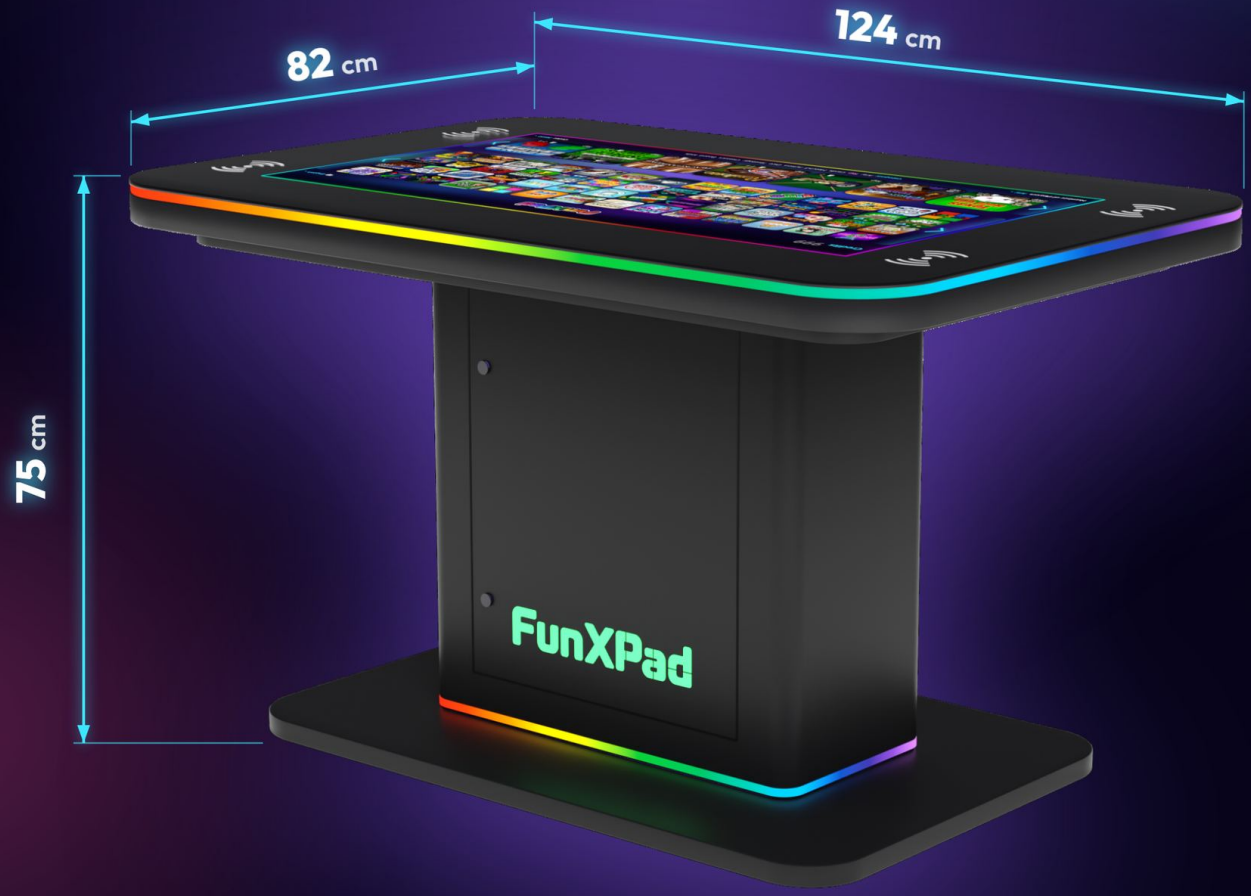

43" Full HD
Sharp from every side of the table.

HD surround sound
All around the table.

1 to 6 players
Face to face. No turns, no waiting.

A real table.
For 6 people.

Overall dimensions in cm. Height = floor to table-top surface.
Perspective view, not to scale.

Drinks on the rim
Glass on the black edge. Play on.

4 wireless chargers
Phones charge while you play.

4 small wheels
Roll it anywhere. Lock it, and it stays rock steady.

RGB light, top and base
Off, one colour or blended. In the app.

EASY TO MOVE

FunXPad

4 wheels.

Small, strong and lockable. Move it anywhere.

Easy to move

Roll it to a new spot whenever you like.

Lockable

Lock the wheels and it stays rock steady.

Home or venue

Living room, lounge or bar.

FunXPad

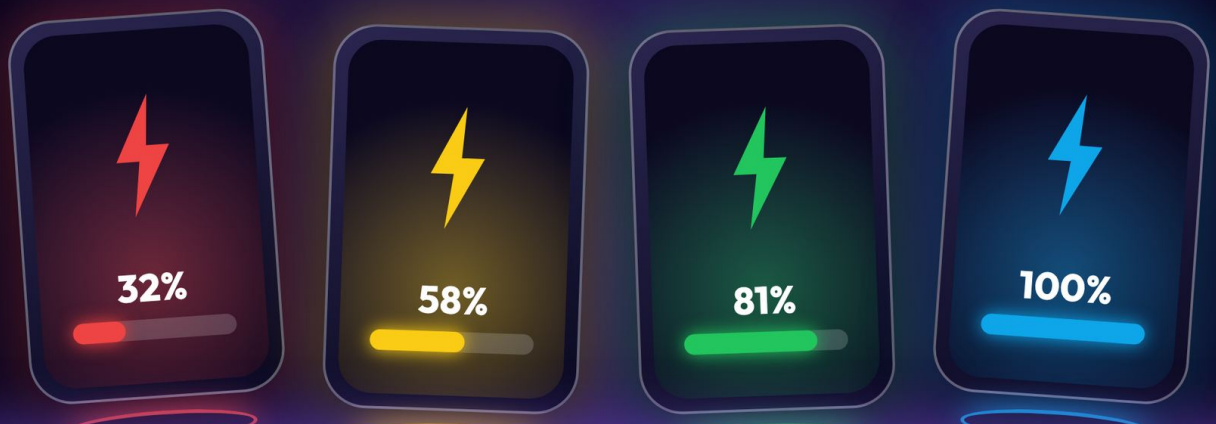

WIRELESS CHARGING

4 wireless chargers.

One at every side of the table.

Put your phones on charge and play together.

Light it up. Any colour.

RGB LED strips on the top and on the base, with endless colours. Everything is set in the table's own app.

Off
Pure black, quiet and elegant.

One colour
Pick any colour you like.

Blended
Colours melt into each other.

MULTI-TOUCH

FunXPad

Multi Touch

Fingers everywhere. Fun for all.

Many touches
Every finger counts, all at the same moment.

Up to 6 players
Everyone plays at once on one screen.

No waiting
No turns. Highly sensitive and instant.

INDUSTRIAL INSIDE

FunXPad

24/7

Built to run day and night.

A heavy-duty industrial computer inside a solid table. Made for busy venues that never switch off.

Industrial computer
Heavy-duty, made for non-stop work.

Solid 99 kg body
Built for daily use in busy venues.

Runs 24 hours a day
Switch it on and let it play.

100–240 V worldwide
Automatic power supply for any country.

Tested and certified
CE, RoHS and FCC Part 15B.

10 years of service
After-sales support you can count on.

TOGETHER

Let's play.

Two friends or a full table of six. Everyone plays at once.

EVERY SEAT COUNTS

FunXPad

Your turn.

Pick a game. Pull up a chair.

FunXPad
THE GAMES
120
games for 1 to 6 players.
Cards, strategy, board games, action, dice, classics and a Kids category. Something for everyone around the table.
Cards
Strategy
Match 3
Action
Board
Classics
Dice
Kids
FILTER
By category or by number of players.
HELP
Every game has its own help screen.
SCORES
Save your name. Beat your friends.

FOR EVERYONE

Every age has its game.

Around 120 games means no one sits out. Little ones, teenagers, parents and grandparents each find a game that fits them.

Kids

Colours, puzzles and quick fun.

Teens

Fast, loud and competitive.

Adults

Strategy, cards and quizzes.

Grandparents

Classics everyone already knows.

FunXPad

Kids play too. Their own corner.

Children's games live in a category of their own. Grown-ups and kids each find their game in seconds, and the whole family ends up around the same table.

FunXPad

Play. Score. Beat your friends.

FULLY OFFLINE

- No subscription
- No accounts
- No ads
- No in-app purchases

The table that earns its place.

Replace one table in your bar, restaurant, café or shisha lounge with a FunXPad. Guests pay and play for as long as their credit lasts. It brings in income, and guests stay longer.

Price per game

Set your own price for every game in the settings.

Credit per payment

Choose how much credit each payment gives.

Income for you

Revenue goes to the venue, or is shared with a partner.

An entertainment device. No prizes. No money back.
(Check local regulations.)

Built for business. Simple to run.

01
Banknote and coin validator
Integrated. Currency can be customised.

02
Income at a glance
Coin and banknote income shown separately.

03
Your own screensaver
Show your logo or advert when nobody is playing.

04
Your own game list
Switch games and languages on or off per venue.

05
Plug & play
Place it, plug it in, and play.

06
Always on
Heavy-duty industrial computer, made for busy venues.

INCOME

Plug in. Start earning.

A FunXPad takes the place of one table and works all day. Every game a guest plays is income for you.

1 Guest pays
With a coin or a banknote.

2 Gets credit
The amount you chose.

3 Plays
Any game, up to 6 players.

4 You earn
Coins and notes counted for you.

SIMPLE MATHS

Games played × **Your price per game** = **Your income**

No extra space
It replaces a table you already have.

Self-service for guests
Guests pay, choose and play on their own.

No prizes, no payouts
An entertainment device. No money back.

Always ready
Switch on and it is ready to earn.

A business model of its own: place it in a venue and share the revenue with the owner.

OPERATOR SETTINGS

You set the rules.

Every venue is different, so every table is set up for its own owner.

INCOME

Coins and banknotes, shown separately.

Coins | Banknotes

PRICE

Your price. Your credit.

- Price for every game
- Credit for each payment
- Currency of your choice

GAMES

Switch games on or off.

SCREEN AND LANGUAGE

Make it yours.

- Screensaver with your logo or advert
- Languages on or off per venue
- Plug & play

FunXPad

Norsk Dansk العربية الدارجة فارسی

and more

Right-to-left languages are fully supported.

Quick answers.

Does it need internet?

No. It works fully offline. No subscription, no accounts, no ads and no in-app purchases.

How many people can play?

From 1 to 6 players, all at the same time.

How much power does it use?

230 W, up to 300 W when all 4 wireless chargers are working. It runs on 100–240 V.

Can I choose the games and languages?

Yes. Switch games and languages on or off for each venue. More than 40 languages.

Is it a gambling machine?

No. It is an entertainment device with no prizes and no money back. (Check local regulations.)

Can I move it?

Yes. It has 4 lockable mini wheels, so it rolls easily and stays still when locked.

Home or business?

Both. It is a real table for six, for the living room, the game room, the bar or the restaurant.
